September 2019 – June 2023

Final exam subjects:

- > IT, Mathematics, Literature, English

Languages

English: C2, fluent German: C1 Czech: Native speaker

Interests

I consider myself to be a person with both a creative and an analytical mind.

My interests are contemporary arts, literature, linguistics and psychology and I like to constantly educate myself on current societal events and modern technology.

I particularly enjoy helping to organize and take part in cultural events of my interest.

Previously I have volunteered at festivals Killkeny Animated, Majáles 2022 and many other, smaller local events.
